PARAMEDIC CERTIFICATE PROGRAM APPLICATION

*REVISED JANUARY 8, 2014
VALID FOR 2014 PROGRAMS*

FAST RESPONSE SAFETY TRAINING CENTER, INC.
2075 ALLSTON WAY • BERKELEY, CA 94704
(800) 637-7387 • INFO@FASTRESPONSE.ORG • WWW.FASTRESPONSE.ORG

PARAMEDIC ACADEMY APPLICATION INSTRUCTIONS TO CANDIDATE

Dear Future Paramedic,

Thank you for your interest in the Fast Response School of Health Care Education Paramedic Academy.

Our Paramedic Academy is devoted to developing highly-skilled, well-educated, compassionate and critically thinking prehospital care providers. We will accomplish this goal by utilizing various classroom techniques and activities, and providing both a comprehensive Clinical Experience and a comprehensive Field Internship. In the classroom, the students can expect to not only learn paramedic content, but also participate in discussions, present new research to their classmates, work through patient care scenarios both verbally and on a high-fidelity manikin, and critically analyze their own and their classmates' performance. This Socratic learning environment, which is student-based and scenario-driven, engages students as active partners in the educational process and builds upon previously gained EMS work experience.

Our Paramedic program meets and exceeds the 2009 National Emergency Medical Services (EMS) Educational Standards, the California Code of Regulations Title 22 and the National Registry of Emergency Medical Technicians (NREMT) requirements, and ensures achievement of entry-level competencies through necessary coursework and skills required of Paramedics. We are approved by the Bureau of Private Postsecondary Education (BPPE), the State of California and the County of Alameda to provide Paramedic education. Additionally, Fast Response has been granted a "Letter of Review" from Committee on Accreditation of Education Programs for the Emergency Medical Services Professions CoAEMSP. Under the authority of this Letter of Review, the Paramedic program graduates will be eligible to sit for the National Registry of Emergency Medical Technicians (NREMT) Paramedic certification examination.

The Program is divided into three phases: **Didactic** (lecture/practical), **Clinical Experience** (in-hospital) and **Field Internship** (assigned to an active paramedic provider).

Prehospital medicine is rapidly becoming more technology-driven. As our student, you will be provided with an iPad to view digital media, test your comprehension, and digitally track patient contacts. All of our classrooms are Wi-Fi enabled. The students in the Paramedic Academy will practice their skills on a high-fidelity manikin in a simulation lab with digital video instant replay.

In the following pages, you will find instructions to complete the application process. If you have any questions or need assistance applying, please contact Stephanie Sumpter at (510) 809-3656 or ssumpter@fastresponse.org.

Once again, thank you for the interest our Paramedic Academy and we look forward to receiving your application.

Lisa Dubnoff, BS, MICP/RN
Paramedic Program Director
Fast Response School of Healthcare Education

PARAMEDIC ACADEMY APPLICATION INSTRUCTIONS TO CANDIDATE

ADMISSIONS PROCEDURES AND APPLICATION INSTRUCTIONS

Application Process

Pay close attention to all deadlines – submissions will not be accepted after the deadline.

General Admissions Criteria

Candidates for the Paramedic Academy must meet the following criteria:

- Proof of age – Must be 18 by the date of candidate's selected Academy start;
- Proof of legal ability to work in the United States;
- Proof of minimum education requirements:
 - High school diploma, official High School Transcripts showing successful completion, GED, or Official college transcripts;
- Copy of current EMT Certification and Health Care Provider CPR card;
- No fewer than 1040 verified hours of EMT or healthcare work experience;
- A score of 20 or greater on the Wonderlic Entrance Exam;
- Successful completion of all prerequisite requirements.

14 Mar 2014	Application Deadline
14 Mar 2014	Academy Testing (Entrance Exam) Deadline
21 Mar 2014	Supplemental Application Material Submission Deadline
3 Mar 2014 – 14 Mar 2014	Oral Boards – By Invitation Only
17 Mar 2014	Primary Successful Candidate Notification for Academy A03 Selection
By Appointment	Enrollment
24 Mar 2014 – 9 Apr 2014	Anatomy & Physiology Course
28 Apr 2014	Academy A03 Expectations and Orientation with CPR
5 May 2014	Academy A03 Start Date (all immunizations due)

PARAMEDIC ACADEMY APPLICATION INSTRUCTIONS TO CANDIDATE

ADMISSIONS PROCEDURES AND APPLICATION INSTRUCTIONS

STEP 1 – APPLICATION SUBMISSION

Applications for each Academy are accepted until the Application Deadline ends. Applications received for an Academy after the Application Deadline ends, may not be considered.

Before being considered for the Oral Boards, all Academy candidates must complete Step 1 and Step 2 of the application procedure. Explanations of these requirements are outlined below.

Academy Application

The Academy Application is four (4) pages in total. The application must be completed in its entirety and submitted along with all required supplemental documents. The exception to this is documents which require submission from a third-party.

Along with the Academy Application, candidates must submit the following:

- ☐ Resume;
- ☐ Copy of government issued identification (Drivers' License, Passport, etc.);
- ☐ Copy of high school or GED Diploma;
- ☐ Copy of college degree or official transcripts;
- ☐ Copy of current healthcare provider CPR card;
- ☐ Copy of current EMT card (CA State or NREMT);
- ☐ Application Essay;
- ☐ Military DD214 if requesting Veteran's preference;
- ☐ Verification of Work Experience Form(s)

Verification of Work Experience

All candidates are required to provide proof of at least 1040 hours (6 months), full-time equivalent, EMT or comparable experience. This experience does not need to come from a single provider or position, but all experience must be verified. Verification must be presented on the provided work verification form and possess an original signature from the supervisor completing the form.

Letters of Recommendation (Optional)

Applicants have the option to submit supplementary letters of recommendation, which should be mailed directly to the Academy from professional sources. Letters may not be from family members. Preferred sources include MD, DO, PA-C, RN, Paramedic, or a former professor. Letters should come from individuals who are familiar with the applicant's medical experience, patient care experience, and work performance and/or study habits. There will be no penalty for not submitting letters of recommendation, however, letters or recommendation will make your application more competitive.

PARAMEDIC ACADEMY APPLICATION INSTRUCTIONS TO CANDIDATE

STEP 2 – WONDERLIC ENTRANCE EXAMINATION

All Paramedic Academy candidates will be required to successfully pass the School's entrance examination. The School utilizes the Wonderlic Scholastic Level Exam which is a twelve-minute, fifty-question test used to assess the aptitude of prospective students for learning and problem-solving in a range of occupations. The score is calculated as the number of correct answers given in the allotted time. A score of 20 is intended to indicate average intelligence (corresponding to an intelligence quotient of 100). Candidates must achieve a minimum score of 20 to move on to Phase 2 – Oral Boards. If the applicant scores below a 15 or lower, the applicant will be dismissed from the applicant process. If the applicant scores between a 16 and a 19, the applicant will have the option to take the test on a later date.

STEP 3 – ORAL BOARDS

Based on a pre-designated point system, the top 50 ranking applicants will be invited to participate in the oral boards for the upcoming Paramedic Academy.

The oral board interview panel will consider the following: the candidate's ability to present themselves in a professional manner, the candidate's overall knowledge of relevant medical information, the candidate's ability to verbally communicate, the candidate's understanding of the Paramedics' scope of practice and the candidate's plan for their successful participation as a Paramedic Academy student. The interview will last approximately 30 minutes.

STEP 4 – ACADEMY SELECTION, NOTIFICATION, AND ENROLLMENT **Selection**

After all submissions have been scored objectively, the top 24 candidates will be identified and notified by the Paramedic Academy Program Coordinator. Candidates who wish to enroll into the academy must proceed through the School's Paramedic Academy Enrollment and Financial process.

A wait-list will be compiled of candidates whose scores rank them as candidate number 25-34; these candidates will be notified that they have been placed on the wait list and, if for any reason, any of the original 24 candidates are unable to fulfill the requirements for enrollment, the wait-list will be enacted, in order of rank of points.

Once selected, applicants will be given information regarding uniform and textbook requirements.

Enrollment

Paramedic candidates who have been offered a position in the Paramedic Academy must complete the enrollment process to be admitted to the School and Paramedic Academy.

All candidates will be required to attend the Program Expectations and Orientation.

PARAMEDIC ACADEMY APPLICATION INSTRUCTIONS TO CANDIDATE

Candidates will be required to complete the School's enrollment and financial agreements.

Students must be prepared to make an initial financial installment for their program during this session. Tuition and fees are outlined in the Fast Response Paramedic Academy Application and the Fast Response Paramedic Academy Catalog. Students are required to pay for all non-refundable fees and the down payment amount. The remaining tuition will be divided into monthly payments.

Prior to the first day of class, all students will need to complete and submit all required immunizations and drug screening results.

Students will also need to complete Step 5, the Fast Response Anatomy & Physiology course, or need to supply transcripts that prove they've completed a college Anatomy and Physiology course within the last three years. Background checks will be performed by the school.

STEP 5 - ANATOMY AND PHYSIOLOGY COURSE

The purpose of the Anatomy and Physiology (A&P) prerequisite course is to deliver a comprehensive theoretical foundation and medical terminology of the human body systems to the paramedic program candidate in the same fashion that they will encounter them during their paramedic didactic section. Successful completion of this prerequisite will not only bring the student to the cognitive level of a competent beginning paramedic student, but will initially verify their capability to handle the pace of the School's Paramedic Academy.

All Paramedic Academy candidates who have not completed a Collegiate Level A&P course must complete this course.

Applicants that have completed a college level Anatomy and Physiology course within the last 3 years may bypass the Anatomy and Physiology course by submitting college transcripts to Fast Response. However, it is still strongly suggested that students take our Anatomy and Physiology class.

Sections of this course may be held in an online format. All students must have online access and the ability to complete assignments autonomously. Quizzes will be given as formative assessments to ensure that each student is keeping pace with the course.

FAST RESPONSE SCHOOL OF HEALTH CARE EDUCATION

Paramedic Academy Tuition

Tuition and Fees

Registration Fee	\$ 250.00	Non-Refundable
Background Check	\$ 200.00	Non-Refundable after the first day of class
Insurance	\$ 250.00	Non-Refundable after the first day of class
Supplies	\$ 1,845.00	Textbooks, iPad, T-shirt, etc.
Uniform	\$ 49.00	Patches – Uniform Purchased separately – <u>Required to attend</u>
Tuition	\$ 8,600.00	\$ 11.81 per Clock Hour; Didactic, Certifications, Observations, NREMT Test Prep
Clinical Externship	\$ 300.00	Non-Refundable after 1st day of clinical externship
Field Internship	\$ 500.00	Non-Refundable after 1st day of field internship
STRF	\$ 6.00	Non-Refundable (\$0.50 for every \$1000.00, rounded to the nearest \$1000.00.)
Total	\$ 12,000.00	

- Students will discuss payment plans with the Finance department.
- Please note, you will not be cleared to test for NREMT until your tuition is paid in full.

Students will be required to pay a minimum deposit of \$2,400.00

Additional funding

- American General Finance www.agfinance.com
- East Bay Works EDD benefits
- Vocational Rehabilitation
- Work Force Investment Act, ETPL approved

Additional Costs: These will be incurred by the student and are required by the external sites.

- Arranged Internship/preceptor - \$900.00 and up depending on internship location
- NREMT Examination - \$110.00 for written exam plus additional fees for practical skills exam
- Live Scan - \$69.00 (additional \$50.00 for DMV Live Scan, if needed)
- Drug Screen - \$55.00
- Uniform – approximately \$200.00 for full uniform (shirt, pants, boots, belt, nameplate)
- Immunizations – as needed
